Getman Genealogy Book Available

A book covering the first six generations of Getmans, starting with Caspar is now available. Included in the book are the known descendants of all of the family lines, including daughters.

500 pages in length on 8 ½ x 11 paper this represents countless hours of research by our predecessors as well as input from many current researchers. Printing costs are high so the print run is small.

The book will be available at a price of \$42.00 per copy plus shipping, which is estimated at \$5.00 each.

Copies purchased or picked up at the reunion will not have a shipping charge.

Orders with payment should be sent to: Wayne Getman, 2672 Newport Road, Poland, NY, 13431. Checks should be made to Wayne Getman.

Web Site Genealogy Data Updated

The most current update of Getman Genealogy data on our website was done November 14. Online data now includes 32,617 individuals, 13,775 marriages and references 1,809 sources.

The new research which has been added has been in the more recent generations of the "A" line, or descendants of George Getman and Udelia Shoemaker. Many of the descendants in this line remained in central New York.

Welcome New Getman Cousins

Several families have been added to this mailing. Most of them are the result of a successful ongoing Getman reunion in Texas.
